Local 2-C Men To Take Physicals

Date has been set for a special pre-induction physical examination for 2-C men registered with Daly City Draft Board No. 103. It will be January 19, according to Mrs. Isabelle Flynn, chief clerk. 2-C registrants are men under 26 who have been deferred for working in agriculture. Twenty-five of them are scheduled to report for the physical exams, tomorrow.

Yesterday, January 17, the local board sent 21 men, including five transfers, to San Francisco headquarters to report for actual induction. January 20, seventeen men are to take pre-induction physicals.

Mrs. Flynn said that the local board is reconsidering all 4-F registrants in the light of the new work-or-fight order.

Among the men who passed pre-induction physical examinations January 13, was John Melani, 85 Theta avenue, Daly City.

Mrs. Flynn issued another reminder that young men reaching their eighteenth birthdays should bring in either birth certificates or signed notes from their parents verifying the date of their birth when they come to register for Selective Service. She estimates that three to four boys who've just reached 18 come in to sign up each week.

Daly City Well Baby Clinic Closes After Many Years Of Service

Daly City Well Baby Clinic, San Jose avenue at Flournoy street, has been discontinued and residents of this area may now take their infants to the local County Health department clinic, according to an announcement made this week by Miss Helen Percy Chesbrough, vice-chairman, San Mateo County chapter, American Red Cross.

The Daly City Well Baby Clinic was started in 1929 by a group of P. T. A. members, as there was no provision for this service at that time. The following ladies were active in this project: Mrs. Julia Jordan, Mrs. A. V. Alexander, Mrs. Mazie Boyle, Mrs. Edna Page, Mrs. Rose Watson, Mrs. Maynard Chesney, Mrs. Lillian Landini, Mrs. G. I. Woodside and the late Mrs. William Sherwood.

This was indeed a community project which received valuable assistance from various sources. As the clinic expanded, it moved to larger quarters, and these were always generously provided, rent free, by Mr. John W. Marchbank, and were renovated by him when necessary. Many gifts were received from individuals and the San Mateo County chapter, American Red Cross, paid the salary of the attending physician, who was always selected by the Bureau of Child Welfare, State Health department. Between four and five hundred examinations were made during the year.

Miss Maxine Clark Enters Queen Contest

A Daly City girl, Miss Maxine Clark, 21, has been chosen by her Westinghouse business associates and friends to represent them in a Purple Heart Queen contest being conducted by the San Francisco Call-Bulletin in an effort to spur badly needed donations of blood.

Miss Clark, lovely blonde daughter of Mr. and Mrs. E. B. Clark of Boulder City, is secretary to the credit manager of the Westinghouse Electric Supply company, 260 Fifth street, San Francisco. She is working enthusiastically to get business associates, friends and relatives to donate blood. If she wins, she will receive \$250 in War Bonds.

A graduate of Jefferson Union high school, Miss Clark lives at 16 Cavour street, Daly City, with her sister Mrs. Joseph Cunningham. She is a two-time blood donor and expects to receive her silver pin soon. She has been active in USO canteen work and War Bond drives, but this is her largest effort for the war and she intends to make the most of it.

The girl who receives the largest number of votes will be crowned queen at a ceremonial which will be attended by high officials of the armed forces, Red Cross, state, city and government officials. Entertainment will be provided by stars of the stage, screen and radio.

tion to the clinic was the volunteer service given by Mrs. Mazie Boyle, Mrs. Edna Page and Mrs. G. I. Woodside. These workers staffed the clinic with unfailing devotion two days a month and made its long existence possible. As the personnel of the Visiting Nurses Service of the chapter increased, these nurses assisted the volunteer staff.

San Mateo County chapter's participation in the clinic's activities have followed the policy of the American Red Cross in such matters, which is to assist local health programs until the need for them has been demonstrated and some official group is able and willing to assume the responsibility. Therefore, at this time, the Daly City Well Baby Clinic has been discontinued with the understanding that the residents of this area may attend the County Health Department clinic at 7375 Mission street.

It will be recalled that the San Mateo County chapter gave assistance to the School Nursing Service. Over a period of years the chapter provided automobiles for school nurses in several communities, Daly City among them, and met the entire expense of a nurse who covered schools in the unincorporated areas. The school districts gradually assumed responsibility in this matter and the chapter no longer provides any of this service.

Red Cross Blood Donor Chairman Asks For More Volunteers For January 25

"We need a lot more volunteers in order to make a good showing for Daly City at the San Mateo County Red Cross Blood Donor center Thursday, January 25," Mrs. Ruth Morris, local chairman, announced this week. "This will be the only trip in January to the center," she explained, "and naturally we'd like to have Daly City represented by a large number of donors since we've been lagging in our response during the past several months."

Reservations for the trip to San Mateo's Julia Beylard hall where the blood is given should be made with Mrs. Morris at DElaware 6435 by Monday, January 22.

Both whole blood and plasma

are urgently needed for the fighting fronts and Red Cross leaders point out that by giving a pint of blood the civilian directly helps those who are wounded in battle.

February dates on which transportation will be furnished to the San Mateo Red Cross Blood Donor center are Saturday, February 3; Thursday, February 8, and Saturday, February 17. Trips leave Daly City at 9:30 a. m. from in front of McGraw's pharmacy, 6300 Mission street.

Among those assisting Mrs. Morris with the recruiting of blood donors in this community is Mrs. Hilda Heagney.

His friends were glad to know of his whereabouts.

Mrs. Bellando has two sons in the service, both friends of Huerta. William Bellando, now at home on leave, is with the U. S. Navy as a yeoman second class, and Wally Bellando is a private in the U. S. Army Signal Corps in the South Pacific.

Jeff Basketball Teams To Play At SSF Jan. 19

Playing their fourth P. A. L. basketball league game Friday night, January 19, will be the 130 and Varsity divisions from Jefferson Union high school. They meet South San Francisco at the South City high gymnasium at 7:30 p. m. Coach Elman Rose described the 130s as having a good ball club, this year. They won their first two league games and met no defeats in non-league play with other schools of the Bay area. The Varsity is weak, this season, and has been playing against tough odds in height and experience, he said.

Third P. A. L. league game was with San Mateo Tuesday, January 16, at San Mateo.

Friday, January 12, the Jeff 130s soundly smacked Burlingame 30-16 on the Jefferson floor, but the Varsity lost to the Burlingame squad 14-37.

OPA Observes Third Anniversary

"We are here to serve, not to exercise power, and the longer we serve, the greater the respect we have for the people we serve," Monsignor Egisto Tozzi, chairman of War Price and Rationing Board No. 83-12-3 said today. Commenting on the fact that this month marks the third anniversary of the establishment of the national OPA War Price and Rationing Board program, Monsignor Tozzi said that "local boards have two purposes: to help hold the price line and to help distribute the available supply of war-scarce goods fairly among all citizens."

Your own local board has 28 members: 11 from South San Francisco, 5 from Daly City, 3 from Colma, 2 from Brisbane, 3 from Bayshore, and 4 from Sharp Park.

These board members have served without compensation. They have given freely of their time, sometimes at great sacrifice to themselves, but they feel that this is the least they can do for their neighbors; it is the least they can do for our fighting men. They have served their neighbors well. They have done a superb job of making price and rationing controls work. They have held the line against unfair distribution of essential supplies and against inflationary wartime price increases. They have seen to it that sup-

Daly City Police Department Checks On Burglar Alarm, Investigates Theft

For the eight-day period between January 9 and 16, the Daly City Police department had its largest number of calls and incidents to investigate Saturday, January 13. Among these were a checkup on the burglar alarm ringing at Jefferson Union high school, 2:30 p. m, which Officers George Hopman and Henry Sundermann jr. found to be set off by accident; investigation of Pat Lena, 4 1-2 years old, 1022 Hanover street, being bit by a dog, 5:05 p. m.; the arrest of Clyde C. Branden and Joe Evans, both of 6925 Mission street, taken into custody by Sergeant Ricco Benedetti, for fighting and creating a disturbance at the Central club, 8:15 p. m.

January 15 at 12:30 a. m. the Daly City police received a request from the Highway Patrol for an ambulance to be sent to Bayshore highway near the Consolidated Chemical company. Bertelli and Brush responded with the ambulance but the injured and dead had been removed from the scene of the auto accident by the time they arrived.

At 8:15 a. m., January 15, Officer Edward Beecher investigated when Mrs. W. B. Miller reported that someone had entered her

No Commencement At Jefferson High

Graduation plans for the local grammar and high schools have been announced.

At Jefferson Union high school there will be no mid-year commencement exercises. Instead, the graduates, comprising an unusually small class, will simply be issued diplomas and may return in the spring for the regular June graduation program if they so desire. They will conclude their attendance at classes January 26. The new term at the high school will open February 5.

Candidates for diplomas, this month, include Lillian Altman, Carmel Blandini, Norma Rose Borella, Virginia Rosemarie Callsen, Violet Mary Chelone, Eunice Rachele Delucchi, John Harvey Foreman, Eugene Edward Grant, Ruth Mae Higgins, Vernalea Holder, Rose Irmgard Kliem, Jerrold Gale Kollmann.

Patricia Marie Marocco, Donald Keith Morris, Mary Virginia Olas, Robert Clair Olson, Irma Helen Rossi, Eleanor Doris Salio, June Elaine Spencer, Ronald Royce Rowe, Ruth Rose Waldvogel, Herman Yorks, Lawrence Earl O'Hoyt, Jean Anita Miers, Lois Joyce Lemon, Philip Victor Barsetti.

Jefferson School district schools, including Crocker, Jefferson, and Woodrow elementary, will hold their graduation program Friday evening, February 2, at the high school auditorium. Superintendent R. L. Crane jr. reports that it will be the smallest class in several years with only 43 scheduled to receive diplomas for successful completion of the eighth grade. Admission will be by invitation only and the exercises will begin promptly at 8 p. m.

The new term for the grammar schools opens February 5.

Our Lady of Perpetual Help parochial school has no mid-year graduation.

FIRE DEPT.

Between January 10 and 17, the Daly City Fire department received only one call. This was an alarm turned in when fire broke out in Cabin 59 at Mission Auto court, Saturday, January 13, at 4:30 p. m.

Companies 1, 2, and 6, supervised by Fire Chief Andrew P. Chesney, Assistant Chief Arthur Bodien, and Battalion Chief Elmer Kennedy, put out the blaze which apparently originated from the floor heater.

Property damage resulted when autos driven by Thomas Gerald Palmer, 299 Templeton avenue, and Bennie Walter Cebula, 615 Brazil avenue, San Francisco, collided on Templeton avenue, January 9 at 7:15 p. m. Officer George Savage investigated.

January 11, while riding in a cab with her mother, 2 1-2 year old Patricia Ricci, 160 Peoria street, opened the door and fell to the street. She was examined by the doctor at Mission Emergency hospital and sent home.

Mrs. Florence Strong, 147 Bellevue avenue, reported to local police, January 11, that \$3,000 in War Bonds and approximately \$600 in money orders were missing from under a mattress where she kept them. The officers had her contact the post office and the Federal Reserve bank but no clues to the person who took the valuables were available.

OPA Observes Third Anniversary

plies of rationed foods, gasoline, shoes, tires and other essentials that war made scarce, were distributed as fairly as possible. They have, to the best of their ability, made sure that every civilian had an equal chance to get his fair share at a fair price.

It should be more widely known that OPA never determines what is to be rationed or how much is to be rationed. OPA authority is only to distribute that portion of gasoline, tires, food, automobiles, stoves or fuel that has been allocated to civilians by other governmental agencies which determine the allocation as between the armed forces and the home front.

When certain meats and vegetables were removed from rationing last fall, that decision was made by the responsible government agencies on the basis of the war situation as it then existed. It is not for us to question the facts supporting that decision any more than it is for any American to expect a prophecy from our military commanders. While these meats and vegetables were unrationed, the Army needs became greater and the supply was not keeping step. As a result the gap between need and supply grew wider monthly until the situation became critical and was highlighted by the recent counter attack in Europe and the stepped-up offensive in the Pacific.

There are still a substantial number of foods for which no ration points are needed. Among them are all frozen and dried fruits and vegetables; fruit spreads, lard, soups, baked beans, baby foods, fresh fruits and vegetables, cereals, eggs, poultry, and fish.

As a safeguard to your buying, the Office of Economic Stabilization has ruled that the purple ink stamp marks that indicate meat grades, (which incidentally are vegetable coloring and thus physically harmless), must appear every two inches on all basic cuts of meat. The stamp indicates that the meat is one of the following five grades: Choice (AA), Good (A), Commercial (B), Utility (C), or Cutter and Canner, a grade seldom sold in retail markets. Watch the grade when you buy for the grades are the basis of the different price ranges. As an additional safeguard, the OPA requires that each and every different cut of meat on display must be individually marked with a tag showing the selling price, the actual grade and the point value, if any. So, on this third anniversary, we believe we are expressing the gratitude and appreciation of everyone in this board area when we say:

"Thank you, volunteer board members and volunteer clerks."

Current Attraction At Daly City Theatre

Maria Montez, as the international star, Marina, makes a hit with Donald Cook, much to the exasperation of Cook's producer-partner, Jack Oakie, who would like him to keep his mind on his work. They're all in Universal's musical "Bowery to Broadway."

IMPROVEMENTS

Superintendent Arthur Bodien this week, announced several improvements to the Daly City Water Works. The tops of the three city reservoirs have been painted and vents are being installed on each of them. These vents will provide for better circulation of air.

The water department is installing a hydrant at Hillside boulevard and Gambetta street. This will give added fire protection in an area which has been built up rapidly.

A 25-horsepower pump has been removed from one of the deep wells and in its place a 40-horsepower pump has been installed, providing additional water for the community. The city plans to sink another well, soon, near the Citrus Avenue pump house, according to Bodien, who is now drafting specifications for it.

DINNER PARTY

Members of Daly City Auxiliary Firemen, Company No. 5, and their wives enjoyed their annual "get-together" dinner party Saturday evening, January 13, at the Parkwood cafe.

Those present included Captain and Mrs. C. F. Reinhart, Lieutenant and Mrs. O. Weiger, Secretary and Mrs. William Cassasa, Marshal and Mrs. C. Haller, Fireman and Mrs. William Stratton, Fireman and Mrs. M. Dotterwich.

Nazarene Church Starts Big Drive

Grace Church of the Nazarene, Vista Grande and Santa Barbara avenues, has launched a financial drive to pay off the present indebtedness of the church by April 1. Reverend D. C. McKisson, pastor, calls upon members and friends of the congregation to support this campaign.

Pointing out that a youth center is greatly needed for Daly City, McKisson explained that he hoped to see the church help fill this need. After the church debt, amounting to \$800 is paid, he anticipates that the church will construct a large and well-furnished room in the basement under the present building to serve as such a center. Young people of this community, regardless of creed, will be urged to participate in activities at the new center.

"The answer to the youth problem can largely be found through giving them the proper activities. We solicit the cooperation of the community in meeting what we feel to be a very urgent need," McKisson said.

Wins Wings

Among the young "hell from heaven" men who won their silver wings January 6 at the Big Spring Bombardier school, Big Spring, Texas, was a Rockaway Beach man who graduated with Class 44-48B and received his commission as a flying officer in the Army Air Forces.

Second Lieutenant Nicholas Gust is the son of Mr. and Mrs. Charles Gust of Rockaway Beach.

GUST

He was employed in the Bethlehem Steel company of San Francisco prior to entering the service and was a graduate of Jefferson Union high school in Daly City.

Already skilled aerial gunners before their training, the men at Big Spring have been thoroughly schooled in the use of the famous American bombsights and have mastered the art of precision bombing as well as the principles of dead reckoning and pilotage navigation.

During their 24 weeks of training at the Big Spring school, they have learned camouflage, and how to detect it; they have become familiar with aerial reconnaissance photographs of enemy installations, have studied the weak points of enemy ships, and have learned to identify all types of enemy aircraft.

Daly City Juniors In Tourney Playoffs

Charles Norry, manager of the Daly City Juniors, reveals that the local baseball team has just won out in the first half of the San Francisco Recreation department's baseball tournament. This accomplishment assures them of being in the playoffs. The Juniors are in the National division.

The Bear Photo team, also managed by Norry, stands second in the American division of the tournament, and has a chance of being in on the playoffs if they win their game, next Sunday. In the event that the Norry-managed teams should win in each division he is confident of bringing the championship game to Marchbank park in Daly City.

Louis Marione coaches the Daly City Juniors.

Both teams will play Sunday, January 21, at Seventh and Harrison streets in Junior Division Class A competitions.

TEEN-AGE CENTER

The high school crowd returns to the Daly City Teen-Age center, No. 5 firehouse, Oliver and Bellevue, tomorrow night, January 19, for an evening of dancing. Last Friday night, January 12, the seventh and eighth graders had the center to themselves. They report a good time and, naturally, that's what the high school group expects to have tomorrow night.

Patronesses for the January 19 event will be Mrs. Martha Linden and Mrs. Lillian Thomey. The club's doors will open at 7:30 p. m.

The teen-age center is making arrangements for a Valentine party. Details will be announced later, according to Mrs. Anne Eason and Mrs. Maizie Boyle who supervise the center for the Daly City Recreation department.

LITTLE HINTS FOR EASY BREAKFASTS

Cereals may be measured out the night before, ready to cook upon the addition of water. When cooked in milk they have added nutritional value as well as a different flavor.

Using brown sugar instead of white on cereals gives them a new flavor. Molasses for sweetening is very good, and if eggs are scarce, it helps make up for the iron we would normally get from them.

A crispness and added flavor is given to ready-to-serve cereals if heated in a moderate oven (375° F.) a few minutes before serving.

Give Birthday Party For Ario Gregori

Ario Gregori was feted at a birthday party given by his parents, Mr. and Mrs. Frank Gregori, 157 Station avenue, Sunday, January 14. He was 10 years old. For the occasion, twenty children, ten boys and ten girls, as well as their parents, had been invited.

The decorations were in the patriotic motif, featuring red, white and blue. They were arranged by Mrs. Gregori's nieces, Mrs. Lea Patterson and Miss Vicki Pantaleoni of Burlingame. Moving pictures of the party were taken by Mrs. Joe Pantaleoni.

Ario, who attends Jefferson grammar school, expressed his appreciation for the many beautiful presents he received.

Must Attach Receipt

Wage earners filing income tax returns on form 1040, the long form income tax return, must attach the Employee's Withholding Receipt to their return, Collector of Internal Revenue Harold A. Berliner of the First California district said today.

The withholding receipt is the form W-2 Revised, given employees by their employer. It shows the name and address of the employer, amount of salary paid and the amount deducted from this salary for income tax payments. It also gives the name, address and social security number of the employee.

AIR CARGO JOBS OPEN AS VOLUME IS STEPPED UP

United Air Lines calls for more men to keep vital war materiel flying

With the tempo of the war in the Pacific increasing daily, United Air Lines is flying the greatest volume of air cargo in its history.

In this vital war work, cargo handlers at the San Francisco Airport are doing a tremendous job of keeping this war materiel moving to all parts of the nation and war zones, the airline reports.

However, with the air transport job increasing as the war is stepped up, more cargo handlers are needed today at the airport.

In addition to the war cargo there is a great volume of domestic air express, mail and other cargo to be loaded and unloaded from Mainliners landing and taking off every hour at the San Francisco Airport.

Cargo handlers find working conditions at United Air Lines pleasant, and co-workers are friendly and helpful to new employees. Transportation to the San Francisco Airport is convenient—busses stop at the gate of United Air Lines. And the airline recently opened a new and modern cafeteria for its employees. Employee benefits include vacations with pay, insurance, periodic wage review, and a retirement plan.

To help out in this vital war cargo work, men are urgently needed today. Apply at United Air Lines, San Francisco Airport, Bayshore Blvd., at San Bruno Ave., or 421 Powell St., San Francisco.

...and 1/2 the cost of a loan is a generous saving

● You wouldn't throw hard earned dollars away. Then why pay more for a personal loan than the Bank of America rate? The cost of a Bank of America *Timeplan* loan, repaid at maturity in 12 equal monthly instalments, can be as much as 50% less than the cost of a similar loan arranged through many lending companies... and there are no other charges... no deductions.

That's as plain as we know how to say it. At Bank of America you can also borrow on your car whether it is fully paid for or not. And you need not be a depositor to arrange a *Timeplan* loan at any branch.

MARCH OF DIMES

The annual march of the bright little dimes that do so much to brighten the outlook for those who are combatting infantile paralysis is now under way. Your contribution, of course, is not limited to ten cents. But each dime will play its part in this worthy cause.

The generous response by the people of America in these campaigns, especially during the past three years, shows that even in the midst of a great war they are not unmindful of the needs of others.

This is a wholly non-political undertaking. The infantile paralysis drive for funds favors neither creed nor party. Those who give their money do not ask if it will be used to aid persons of a certain race or religion. They know that all will be treated alike.

This campaign symbolizes the unity among men in which discrimination and prejudice vanish in the interest of the common welfare. Through activities such as this, the forces which seek to set one group, or race or creed against another are being diminished.

The only favoritism in this campaign is on behalf of humanity. Let us help to spread happiness and cheer.

The dimes are on the march!

At District Grammar Schools

AT WOODROW

The pupils of Room 1, having assembled material for scrapbooks on China, are now working on original covers for their individual books. These covers will be vividly colored for the most part, with representative oriental designs and pictures.

Charts of varied colors, designs and arrangements have been completed by the pupils of Room 4 in relation to early traders as well as our present city markets and open stores.

Many boys and girls in Room 8 are trying for the Lincoln Essay prize.

The pupils of the sixth grade are studying the life and inventions of such great men as Cyrus McCormick, Alexander G. Bell, Marconi, Wright Brothers, and Eli Whitney.

The boys and girls of Room 12 have been reading about music and art and its history. Members of the class chose various subjects that interested them and made reports before the class.

In its Social Studies, Room 4 is studying about the discovery of gold. The class is drawing pictures and writing stories about this period. James Fredrickson is going to make a model of the scales that were used to weigh gold nuggets.

The children in the low fifth are very busy completing their booklets on Textiles. These booklets will contain all the work the children have done on textiles. Stories and pictures on cotton, linen, silk, rayon and wool have been saved for this book since the beginning of the term.

AT CROCKER

The pupils of Room 3 are planning a musical program for their class. Many of the students will contribute by playing various instruments, singing or dancing.

The pupils of Room 2 were sorry to lose two of their classmates recently. Evelyn Madriago moved to San Jose and Harold McKinney left for Oregon.

The students of Room 4 won the War Stamp banner for the week of January 2.

Hot Biscuits — Vote Getters

By Frances Lee Barton

HOT biscuits can be guaranteed to get both the male and female vote. Watch how they disappear when placed before you when dining out, and you'll realize how they will be appreciated by your guests at home — provided you can serve them light and fluffy.

Here's a recipe that will give you just that kind of biscuit:

Chocolate Tea Biscuits

2 cups sifted cake flour; 2 teaspoons double-acting baking powder; 4 tablespoons sugar; ½ teaspoon salt; ¾ cup milk; 4 tablespoons melted butter or other shortening; 2 squares unsweetened chocolate, melted.

Sift flour once, measure, add baking powder, sugar, and salt, and sift again. Add milk and butter and stir carefully until all flour is dampened. Add chocolate and stir vigorously until mixture forms a soft dough and follows spoon around bowl. Turn out immediately on lightly floured board and knead 30 seconds. Roll ½ inch thick and cut with floured 1½-inch biscuit cutter. Bake on greased baking sheet in hot oven (450° F.) 12 minutes, or until done. Makes 3 dozen biscuits.

AT JEFFERSON

The seventh grade had a timely current events period last week. In preparation for this period the students read silently the article "Belgium, Many Times a Battlefield."

This reading was followed by a study of various maps in order to locate the geographical references in the article. To assist the children in their map study, their teacher arranged a fine collection of National Geographic maps on the side wall of the classroom. These maps proved very helpful and stimulating to the class.

Last Tuesday, Ralph Smyer, a sixth grade pupil, brought to school a collection of souvenirs and coins belonging to his brother, Bill Smyer, U. S. Navy.

Among these interesting things were African knives, engraved and linked bracelets from various villages, religious tokens, coins from many countries, and new invasion currency from France and Italy.

NEW BABY

A daughter was born to the wife of Howard S. Phillips, 71 Castle street, Daly City, January 12 at Mills Memorial hospital.
